

## **This Christmas, receive the gift that keeps on giving**

What is your heart longing for? If you're like me, you have many things you desire or would like to see happen in your life.

But deep down inside, in the innermost part of you, there is a longing that will not go away. Until we satisfy this basic need of our hearts, we won't be happy or completely fulfilled. It is the need for a Father. A good Father – to protect us and provide for us.

A Father whose love of us is unchanging, steadfast, and will never run dry. We would never have to earn his love – only receive it.

He would always be there for us, and never fail us. Is there such a Father – one you can call “Daddy!” with all your heart?

Yes, there is! He is Father God. He is waiting for you to invite Him into your heart. He will not force His way in. He will wait until you invite Him into your heart and life. And then He will come in.

Ask Jesus to take your hand and lead you to your Father. Ask him to take everything bad you have ever said, or done, or even thought, out of your life. It will all be gone in a split second. He will make you a brand new person from the inside out.

Ask Jesus to take you to your Father's house. He will unlock the door and let you in. A whole new world of wonder and mystery will unfold before you. Your whole life will become an adventure of discovering the goodness of your Heavenly Father.

And this will never end. Because he is infinite, you will enjoy and experience His goodness and love for your forever. Yes, forever! Ask Him in! Please do it now. Who knows what the next moment will bring?
